Aquacade Scheduled In August

"When You Wish Upon a Star" will set the mood for a two-hour Aquacade-Fantasy sponsored by the Torrance Recreation Department.

The program, now in its 10th year, will be presented at 8:30 p.m. Aug. 13 and 14 at the City Plunge, 3331 Torrance Blvd. There is no charge for the event.

A cast of 85 swimmers will perform synchronized swimming and comedy diving skits in the all-water show.

LAST YEAR'S Aquacade-Americana was shown to capacity crowds. Seating for this year's performance has been increased to 1,200 seats.

Captain Hook and his pirates, Davey Jones Locker and a grand finale of Winter Wonderland in water will be special attractions at the annual production.

Mrs. Arnold Bova and Mrs. Hal Gregory are directing the aquacade, which is being co-ordinated by Jim Armstrong.

The Aquacade-Fantasy will be preceded by a carnival featuring a special all-city variety show. Fees of 5 and 10 cents will be charged to play the carnival booths.

South High Players Set Performance

The Wonder World of Make Believe, South High's summer theater group, will present "The Wizard of Oz-Friday."

The play, written by Elizabeth Chapman and based on the novel by Frank Baum, will feature a cast of 20. It will be presented in the South High cafeteria, 4801 Pacific Coast Hwy. Curtain time is 7:30 p.m.

Tickets are \$1.25 for adults and 75 cents for children under 12.

Fuel Tanks To be Made By Aeronca

A \$1 million contract for external fuel tanks for the Norair F5A/B has been awarded to the Aeronca Manufacturing Corp., according to A. G. Handschumacher, chairman of Aeronca's board. The follow-on contract, awarded by the Norair Division of Northrop Corp., calls for deliveries to begin this year and continue through 1966.

All work will be done at Aeronca's Aeronal Division in Torrance.

Before starting your summer vacation trip, the Greater Los Angeles Chapter of the National Safety Council urges you to "safety check" your car. This check should include brakes, steering, all lights, windshield wipers and rear view mirrors.
